

# dishwashers

**Washing dishes needn't be a chore.** Caple dishwashers take all the effort out of cleaning dishes. Our top models are rated AAA for energy, water consumption and performance, they provide a varied selection of wash programmes for flexible use. So put those rubber gloves away.

# integrated dishwashers

As well as performance and durability, Caple dishwashers score high on looks.

Our top, fully integrated models are finished with stylish black control panels and titanium grey baskets. Then there's our stainless steel model which conveys true professional qualities.

Deluxe and basic integrated dishwashers come in 45cm and 60cm widths, so you can choose the most suitable size and spec for your kitchen. Features include a top basket cutlery tray, half-load and delay timer, and Aquastop, which protects your kitchen from flooding. All our machines are designed to cope with whatever's asked of them with maximum efficiency – from a heavy, dirty load, to a short, light wash.

## Features

### Electronic controls

Our easy-to-use concealed control panels make programme selection simple. (1)

### Cutlery rack

Use the neat horizontal cutlery rack in the top basket for safe and easy access to knives and forks and to save space in the lower basket – perfect for a half load. (2)

### Height adjustable top basket

The top basket has two level options for accommodating larger items. The height setting is quick and easy to change. (3)

### Titanium grey baskets

Plastic baskets on top models are titanium grey for a lasting, high quality appearance. (4)

Caple recommends  
Denby dishwasher safe tableware.

# DF606SS stainless steel dishwasher

## Versatile installation

Our flagship dishwasher can be fitted to suit. Freestanding with a stainless-steel door, side panels and plinth, the DF606SS is unique in that the plinth and silver metallic top plate can be easily removed for built-in installation.

Easy on water and energy consumption, the DF606SS will keep your dishes sparkling clean, day after day. A choice of seven programmes mean there's always an appropriate wash available, and it comes complete with a top basket cutlery tray. With Aquastop flood-safe protection and extra options like half load and delay timer, the DF606SS is the ultimate clean machine.
